

# Color Revamp Club

With all the new/returning colors to the 2018-2019 Annual Catalog, if you're like you want them ALL as soon as possible and as affordable as possible!

In order to do so, I'm offering a *Color Revamp Club!*

## *How does it work?*

Each month you will receive an ink pad, ink refill, pack of cardstock (24 sheets), and Stampin' Write Marker in 2 of the new/returning colors. In addition, you'll receive one combo (light and dark) Stampin' Blends Markers in one of that month's colors. This means that in 8 months you will receive all the ink pads, re-inkers, cardstock, write markers, and 8 Stampin' Blends Markers for all the new/returning colors.

In addition, one month you will receive the hostess benefits and I will ship your items for free!

## *What is the cost?*

The cost is \$53 + \$7 shipping/month (with free shipping the month you're the hostess). At the beginning of the month I'll e-mail you a PayPal invoice for \$60. It is expected that the invoice will be paid within three days. I will place the order the 5th of each month.

## *How do you know which month you'll receive the hostess rewards?*

I will randomly draw a name at the beginning of the month to see who will be the hostess. If you wish to add other product to your order the month you are the hostess or have friends order, please feel free to do so. The larger the order, the more hostess rewards you receive.

## *How much will you receive in hostess rewards?*

Once I finalize all participants I will have the total hostess rewards calculated. The more people participate, the more rewards for free product you'll receive.

## *What if you already own product in the returning colors?*

You can always use more cardstock so that's not a problem and you'll want to receive the new ink pad and re-inker as they're formulated with a new non-bubbling formula.

## *Please note:*

This is a 10 month commitment. If you skip a month or drop out, then the hostess that month misses out on their full rewards. You will need to sign a commitment contract to ensure you'll participate all 10 months.
